DEATH NOTE
The popular Adult Swim series continues on in volume 4! Light attempts to track down Misa in hopes that her Shinigami Eyes will prove to be a valuable asset against L, but Misa is more interested in Light personally! Any chance at love is dashed, however, when Misa's cover is blown and she's ordered to relinquish the Death Note. With Misa and Light detained, the killings come to a halt, but then mysteriously resume...

LUCKY STAR

From Kyoto Animation, the same people who brought us The Melancholy of Haruhi Suzumiya, comes a new anime series in a similar vein as Haruhi and Azumanga Daioh! Konata Izumi is both intelligent and athletic, but her obsession with anime and video games prevents her from doing well in school, joining any sports clubs and leading an otherwise "typical" highschool life... but whoever said "typical" is fun anyway?!

HARUKA

Haruka, known in Japan as Haruka Naru Toki no Naka de, is the tale of Akane, Tenma and Shimon, three friends who are drawn into another world by a mysterious shadow. In this strange new land, Akane is made Priestess of the Dragon God, and the three are suddenly caught up in a war between demons and men! Fans of Fushigi Yugi, definitely give this title a try. It's filled with fantastic character designs and the animation is amazing!
